13:00 – 14:15 Lunch, Exhibition and Poster View
14:15 - 15:15  **WORKSHOP**

**Workshop 1**

ITAMAR: home sleep testing in cardial patient

**Workshop 2**

DanCPAP: CPAP a temporary or long term solution?

PNEUMO CARDIOLOGIC ISSUES

Moderators: Dr. MF. Vecchirini - Dr. Eyal Rosenzweig

15:15 - 15:40  Dr. Ayal ROMEM - Pulmonary / Sleep medicine - Shaare Zedek - Jerusalem

OSA and chronic lung disease - a mere coincidence or two related pathologies?

15:40 - 16:05  Prof. Marie Pia d’ORTHO - Pulmonary, Respiratory, Sleep Medicine - Hôpital Bichat - Paris

Cardiovascular risk and sleep apnea syndrome

16:05 - 16:30  Prof. Pierre ESCOURROU - Cardio-Pulmonary - Hôpital Antoine Béclère - Clamart

OSAS and pulmonary hypertension

16:30 - 16:55  Dr. Florence de ROQUEFEUIL - Cardiology - Hôpital Ambroise Paré - Boulogne

Sleep apnea syndrome seen by a cardiologist special lighting

**November 29, 2016: 8:30 am to 6 pm**

**PEDIATRIC ASPECTS**

Moderators: Pr Patricia Franco - Pr Elie Picard

8:30 - 8:55  Prof. Patricia FRANCO - Pediatrics - Exploration et pathologies du sommeil - Lyon

OSAS in children from clinical signs to diagnosis

8:55 - 09:20  Prof. Elie PICARD - Pediatric Pulmonology - Shaare Zedek Medical Center - Jerusalem

High Flow Nasal Cannula Therapy for Obstructive Sleep Apnea in Children

09:20 - 09:45  Dr. Pierre ATTAL - Otolaryngology, Shaare-Zedek Medical Center

Tonsillotomies in children OSA

09:20 - 09:45  Coffee break – Visit stands & posters

**HALL 1**

**DENTAL APPLIANCE MANAGEMENT**

Moderators: Dr Marc Blumen - Prof. Ofer Jacobowitz

10:10 - 10:35  Prof. Ofer JACOBOWITZ - Otolaryngology - Mount Sinai - Mandibular advancement appliances for OSA - an update

10:35 - 11:00  Dr. Gilles BESAINOU - Otolaryngology - Paris - Mandibular advancement devices: A Review of 651 Cases 2007-2016

11:00 - 11:30  Dr. Ephraim WINOCUR - Orofacial Pain - Department of Oral Rehabilitation - Tel Aviv University - Introduction to Dental Sleep Medicine

**HALL 2**

**SURGICAL APPROACH**

Moderators: Prof Frédéric Chabolle - Dr Eyal Rosenzweig

10:10 - 10:35  Dr. Itzhak BRAVERMAN - Otolaryngology - Technion - Haifa - Personalized tailored surgery for patients with snoring and obstructive sleep apnea

10:35 - 11:00  Dr. Yves Victor KAMAMI - Otolaryngology - Paris - CO2 laser for snoring and OSAS treatment in 2016

11:00 - 11:30  Dr. Eyal ROSENZWEIG - Otolaryngology - Hosp. Ichilov - Tel Aviv - Control of pain at patients undergoing pharyngeal surgery obstructive sleep apnea syndrome
11:30 - 12:30  **WORKSHOP**

**Workshop 3**

Dental appliance and OSAS: clinical practice
Mandibular advancement appliances for OSA: An update
Dr. Maguy LEVY - Surgery dentist - Paris

**Workshop 4**

Atelier ResMed - Orthèses d’avancée mandibulaire Norval
Quelles avancées technologiques et cliniques?
* Avantages des orthèses numériques (Dr. Gilles BESNAINOU)
* Études ORCADE Résultats de suivi à 2 ans d’une cohorte de patients SAOS traités par orthèse (Dr. MF VECCHIERINI)

12:20 - 13:30  **Lunch, Exhibition and Poster View**

**SURGICAL APPROACH**  Moderators: Prof. Frédéric Chabolle - Dr. Eyal Rosenzweig

13:30 - 13:55 Dr. Marc BLUMEN - Otolaryngology - Hôpital Foch - Suresnes
Is Dr.ug induced sleep endoscopy the adequate tool to enhance ENT surgical results?

13:55 - 14:20 Prof. Frédéric CHABOLLE - Otolaryngology - Hôpital Foch - Suresnes
Tongue base and OSAS: translation, resection or stimulation?

14:20 - 14:45 Prof. Stéphane HANS - Otolaryngology - Hôpital Georges Pompidou - Paris
Evaluation de la résection de base de langue assistée par robot dans le syndrome d’apnée obstructive du sommeil

14:45 - 15:10 Prof. Ofer JACOBOWITZ - Otolaryngology - Mount Sinai - New York
OSA Surgery - 21st century Approaches

15:10 - 15:40 Prof. Giora PILLAR - Pediatrics and sleep medicine clinic - Technion Faculty of Medicine - Haïfa
The peripheral arterial tone signal in sleep

15:40 - 17:00  **ROUND TABLE**

Eyal ROSENZWEIG - Hospital Ichilov - Tel Aviv
Sleep surgery - the sight of health care providing organizations
"medico-economic considerations and policy regarding diagnosis and treatment of sleep apnea patients will be discussed"

**WORKSHOP 5**

PHILIPS
Health solutions at home

**General Assembly**

**November 30, 2016 - 9 am to 5 pm**

- Workshop : Laboratories Technion - Haïfa
- Workshop : Israeli Industries or Start up
